Nova Systems - Nova Laptop Product Specification

Fictional demonstration data for Nova Systems. Not a real company or product.

Document version 3.2. Effective from the 2026 autumn release.

1. Product overview
Product name: Nova. The exact approved product name is Nova. Do not abbreviate it or add a prefix.
Nova is a 14 inch lightweight laptop for everyday professional work.

2. Battery and power

Battery life: up to 18 hours under specified test conditions.
Specified test conditions: 1080p local video playback, 50 percent screen brightness, wireless networking enabled, and factory default power settings.
Real-world battery life varies with usage and settings.

Charging: 65 W USB-C adapter included in the box.

3. Performance

Performance improvement: 25 percent faster multi-core processing than the previous generation Nova, under the approved comparison methodology.
The approved comparison methodology is Benchmark Method NS-BM-4, run on production units with identical memory and storage.

4. Warranty
Limited warranty: 2 years from the date of purchase. See the warranty terms for exclusions.
